**My Dear Brothers and Sisters in Christ!**

We are reminded in life that what we put in is what we can expect to get out and we can apply this to our faith. During this appeal we have stimulated discussions about our faith and what more is needed.

Our Parish goal for this appeal was to raise \$17,500.00 to support our Ministries and with your generous support we have raised to date \$15,743.00. The Foundation has extended the day till July 15, 2019 to send in donations so please reflect on how you are able to support this appeal and get your donations in to us as soon as you are able to.

**God Bless all of you for your faith and generosity.**

The “UNPLANNED” PRO-LIFE MOVIE will be showing at the Regina Normanview Cineplex Theatre beginning on Friday, July 12<sup>th</sup> and it is guaranteed to go until Thursday, July 18<sup>th</sup>. Tickets will go on sale on Wednesday, July 10<sup>th</sup>. We are encouraging people to purchase their tickets in advance online through <https://www.cineplex.com>

*The UNPLANNED movie* is the inspiring TRUE story of Abby Johnson. As one of the youngest clinic directors in Planned Parenthood history, Abby was involved in upwards of 22,000 abortions. Passionate about helping women, she believed in a woman’s right to choose. Until the day she was asked to assist in an ultrasound guided abortion and she watched as a 13 week old baby fought for his life against the abortion instruments. What she saw changed everything. Now Abby is one of the most ardent pro-life advocates in the world and her story is a game changer for the pro-life movement.

*Unplanned* is a transformative story that has brought such amazing results in the U.S. including:

- 1) Countless stories of women deciding to keep their babies after seeing *Unplanned*.
- 2) Since the film's release in late March, at least 6 states have passed bills that restrict abortion, with numerous other states poised to follow in the coming months. *Unplanned* was screened in some of those state legislatures.
- 3) Thousands of pro-choicers have walked away from Unplanned changed in the same way Abby Johnson was. *Unplanned* is undoubtedly the greatest evangelization tool the pro-life community can use to show the truth about abortion.
- 4) Following the film's release, over 100 abortion workers reached out to Abby Johnson's organization *And Then There Were None* for help in leaving their jobs.
- 5) After seeing *Unplanned*, thousands have awakened to the holocaust of abortion and are ready to do something about it. We're receiving reports from pro-life organizations around the United States of increased membership.
- 6) We've had countless testimonies of women and men who were finally able to accept God's grace after seeing the film.

Abby Johnson’s true-life story has the power to unravel the culture of death in Canada as it has done in the United States. With the Canadian elections on the

horizon, it is imperative that the pro-life community gets the word out about this film so we can bring the topic of abortion into the national spotlight!

**PLEASE SUPPORT THIS VERY IMPORTANT PRO-LIFE MOVIE.**
