The “UNPLANNED” PRO-LIFE MOVIE will be showing at the Regina Normanview Cineplex Theatre beginning on Friday, July 12th and it is guaranteed to go until Thursday, July 18th. Tickets will go on sale on Wednesday, July 10th. We are encouraging people to purchase their tickets in advance online through <https://www.cineplex.com>

The UNPLANNED movie is the inspiring TRUE story of Abby Johnson. As one of the youngest clinic directors in Planned Parenthood history, Abby was involved in upwards of 22,000 abortions. Passionate about helping women, she believed in a woman’s right to choose. Until the day she was asked to assist in an ultrasound guided abortion and she watched as a 13 week old baby fought for his life against the abortion instruments. What she saw changed everything. Now Abby is one of the most ardent pro-life advocates in the world and her story is a game changer for the pro-life movement.

Unplanned is a transformative story that has brought such amazing results in the U.S. including:

- 1) Countless stories of women deciding to keep their babies after seeing *Unplanned*.
- 2) Since the film's release in late March, at least 6 states have passed bills that restrict abortion, with numerous other states poised to follow in the coming months. *Unplanned* was screened in some of those state legislatures.
- 3) Thousands of pro-choicers have walked away from Unplanned changed in the same way Abby Johnson was. *Unplanned* is undoubtedly the greatest evangelization tool the pro-life community can use to show the truth about abortion.
- 4) Following the film's release, over 100 abortion workers reached out to Abby Johnson's organization *And Then There Were None* for help in leaving their jobs.
- 5) After seeing *Unplanned*, thousands have awakened to the holocaust of abortion and are ready to do something about it. We're receiving reports from pro-life organizations around the United States of increased membership.
- 6) We've had countless testimonies of women and men who were finally able to accept God's grace after seeing the film.

Abby Johnson’s true-life story has the power to unravel the culture of death in Canada as it has done in the United States. With the Canadian elections on the horizon, it is imperative that the pro-life community gets the word out about this film so we can bring the topic of abortion into the national spotlight!

PLEASE SUPPORT THIS VERY IMPORTANT PRO-LIFE MOVIE.
